## EDITORIAL

The current and all previous copies of the WTT are available on our website at [www.wt-times.co.uk](http://www.wt-times.co.uk)

This summer, dive in to a cornucopia of delights. Why not bring the family and visit the village fete? You can participate at the different stalls/activities or just browse the different craft and plant stalls. Talk to the people running the Weston Turville Neighbourhood Plan and discover what they are doing on your behalf. Meet friends and neighbours and stay for a bite or a drink.

In this edition you can also read about the various other opportunities there are to get together in a good cause.

Weston Turville Times would welcome anyone willing to distribute the magazine in their road or locality. You may get to discover hitherto unknown parts of the village and make new friends in the process. We are also looking for someone to coordinate the distributors and their rounds. The current coordinator is able to go through the process with you. It requires about 3 hours every 3 months so it is not onerous. Please contact the Editor if you are interested in helping in either role.

Weston Turville Times continues to inform and entertain. It is currently published four times a year and is delivered to every house and business in Weston Turville. Extra copies are delivered to the shops, church and chapel and hostelrys in Weston Turville. We look forward to seeing you all at the Village fete on the 18<sup>th</sup> June.

Please note that the views expressed in articles are not necessarily the views of the editorial team or the Parish Council.

## FEELING INSPIRED.

It is that time of year again when the daylight hours lengthen and a lot of people feel the need to shrug off the inertia of winter. The warmer days allow us to strip off our heavy clothing and expose our long covered up 'bits' to the sun. This is the time when I realise that I may have gained a few pounds or else my summer clothes have shrunk due to being idle in the wardrobe for months.

There is much to inspire us to do more exercise and with the media currently covering The Invictus Games, there is no excuse not to do that bit more!

The Invictus Games are an international Paralympic-style multi-sport event, created by Prince Harry, in which wounded, injured or sick armed services personnel and their associated veterans take part in sports. Named after Invictus, the Latin for "Unconquered,

Undefeated". The first games were held in 2014 at the Queen Elizabeth Olympic Park in London. The motto for the games is "I am". A lot of the athletes did their training at Stoke Mandeville Stadium.

Following on from these games we have the Olympics and Paralympics in Rio with the Paralympic Heritage Flame setting out from Stoke Mandeville Stadium which is celebrating its position as the birthplace of the Paralympic Movement. The Flame will be created as part of a spectacular ceremony at Stoke Mandeville Stadium to be held on 2 September 2016. It will then be 'sent' virtually to Brazil, where it will merge with the Brazilian Regional Flames to create the Paralympic Flame that will run the relay and light the cauldron in the Olympic Stadium during the Opening Ceremony. Before reaching Rio, the torch will be taken to various locations both in the local Buckinghamshire area and around the country to give young people in particular the chance to be inspired. Our own local Paralympic hero Pamela Relph MBE of the GB Rowing Team is looking to be part of the crew aiming to defend the title at the Rio 2016 Paralympic Games after helping to qualify the boat at the 2015 World Championships.

There are new 'mascots' for the 2016 games which were named by popular vote and represent a mixture of Brazilian animals and a 'fusion of all the plants in a Brazilian rain forest.'

### **Vinicius and Tom**

In describing the mascots, the organising committee said the Olympics mascot combined "the agility of cats, the sway of monkeys and the grace of birds" and that he can stretch his arms and legs as much as he wants. The Paralympics mascot, meanwhile, "is energised by photosynthesis and can pull any object from his head of leaves" and is always growing and overcoming obstacles.

So, I may not have the agility of a cat or the grace of a bird and to be honest I gave up the dream of winning an Olympic Gold medal decades ago, but there is no reason as to why some of my minor obstacles cannot be overcome and I make a start on getting fitter and healthier this summer. Are there more inspiring role models than the athletes competing in these games?

Exercise is more than going to a gym or jogging and if you fancy something a bit different: the Aylesbury Ramblers have walks which range from 2 miles to 11 miles (contact [secretary.aylesburyramblers@gmail.com](mailto:secretary.aylesburyramblers@gmail.com)), a new bike training, tuition and repair shop has opened up in Halton, (contact 07824828024 [www.otec.org.uk](http://www.otec.org.uk)), there are several local Nordic Walking clubs, numerous dancing clubs including ballroom and belly dancing and everything in between, there are allotments available in the village, the growing of food is productive and healthy (01296 613998). So many choices.....now where shall I start.....?

### **Mandi Simons**

The organisations mentioned in the article are not endorsed by WTT or the Parish Council and are mentioned only as ideas to assist you in starting your new regime. Check with your GP before doing any new type of exercise. I am not a doctor!

For further information on the Society, visit [www.WTHSoc.org.uk](http://www.WTHSoc.org.uk), or email: [secretary@WTHSoc.org.uk](mailto:secretary@WTHSoc.org.uk). New members welcome.

The arrival of Wessex Archaeology vehicles is usually taken as an ill omen and the first concrete evidence of a pending planning application. Of special interest to us are the recent assessments they performed for Hampden Fields and the Aston Clinton Road (Broughton Trust Land).

We are looking forward to seeing what they found and learning more about the history of our area from the artefacts and observations they made.

Mark is the London and South East Team Leader for Wessex Archaeology where he has worked since 2008. He has worked in the Heritage Industry for 20 years undertaking a variety of roles including co-ordinating Environmental Impact Assessments, carrying out Consultancy and Fieldwork Management throughout the UK.

Come and hear all about it on 27<sup>th</sup> May.

There is an interesting new document on the Aylesbury Vale District Council Website produced by Phoenix Consulting Archaeology Ltd relating to 135 proposed dwellings between New Road and Aston Clinton Road that mentions medieval settlement and a possible Romano-British homestead.

# Gooseberry (or other berries) Fool

Serves 4

450gm (1lb) fruit  
125gm (4oz) castor sugar  
30ml (2tbsp) water  
150ml (¼ pint) custard  
150ml (¼ pint) whipping cream

Cook the fruit with the water and sugar until softened.  
Cool slightly then blend fruit before passing through sieve to remove pips.  
Make or use custard of your choice, beat the custard into the fruit pulp and allow to cool before adding the whipped cream by folding in.  
Spoon into individual glasses and chill in the fridge until required.

A variation to this classic recipe as supplied by Delia Smith:

Serves 6  
2 lb (900 g) gooseberries, topped and tailed with scissors  
10 oz (275 g) Greek yoghurt  
5 oz (150 g) golden caster sugar

For the fullest flavour first place gooseberries in the baking dish, sprinkle on the sugar and bake them on the centre shelf of the oven, (gas mark 4, 350°F (180°C)) uncovered, for 20-30 minutes, or until tender when tested with a skewer.

After that, tip them into a sieve set over a bowl to drain off the excess juice. Now reserve about a quarter of the cooked gooseberries for later, then place the rest in the bowl of a food processor, add 4 tablespoons of the reserved juice and whizz to a thick purée.

After that, leave the purée to get quite cold, then empty the yoghurt into a bowl, give it a stir, then fold in half the purée. Now spoon this mixture into the serving glasses, spoon the rest of the purée on top and, finally, add the reserved gooseberries.

Cover the glasses with cling film and chill till you're ready to serve

## PARISH COUNCIL NEWS

A vacancy has arisen on the Parish Council for a councillor. The eligibility criteria and information about the role can be found on the Weston Turville Parish Council website or by contacting the Parish Clerk. If you have a few hours a month and a desire to help maintain and improve our parish, we would love to hear from you. No previous experience is required, just enthusiasm!

We have received numerous compliments on the extended showing of the daffodils planted in the verges over the past few years, and the more observant amongst you may have noticed the two new trees planted in Church lane and Brook End to replace the dead trees that were removed. We have an ongoing programme to plant bulbs and replace trees with three councillors 'volunteering' to do the work. If you would like to see spring flowers in a verge near you or have an idea where a tree would enhance the local area please contact the Parish Clerk who will add your ideas to the list!

We will soon be replacing the bus shelter on Marroway which has seen better days. We would like to hear if you have an opinion on the replacement being similar to the existing shelter or like the newer design on Worlds End Lane.

The Council will also be installing new dog waste bins and litter bins and we would like to hear your opinions on the best places to put them. Tell the Clerk on [clerk@westonturvilleparishcouncil.org.uk](mailto:clerk@westonturvilleparishcouncil.org.uk) or 07584 040264/01296 531432

At the request of the users of the new play area at the rear of the village hall, the council is extending the fencing around the equipment to stop dogs entering and fouling the grass. This work should be completed before July. It is pleasing to see how popular the new equipment is.

The tennis courts which were accidentally damaged are going to be repaired, but it is in the hands of the insurance companies and as yet we do not have a start date for work to begin.

A reminder that the Parish Council meetings are normally held on the 3<sup>rd</sup> Thursday of the month (excluding August and December) at 7pm in the Village Hall. Everyone is welcome to attend. Planning meetings are at 6pm on the 1<sup>st</sup> Thursday in the hall. Check the website for any changes to dates.

## **Colombian Coffee Porter from The Chiltern Brewery**

**An exciting new beer that is full of beans.....**

A new month and a new collaboration! Combining forces with Chartley Coffee, traditional bespoke roasters of gourmet coffees, The Chiltern Brewery have created a new limited edition draught ale for April, Colombian Coffee Porter 4.1% vol.

“We love this beer” says Head Brewer Tom Jenkinson. “It promises all the mouth-watering aroma of smooth roasted coffee beans and delivers a great balance of flavour, with a Café Crème finish.”

“I think Chartley selected the perfect coffee bean for us” adds joint director and brother George. “We like to try new challenges and we think this is something rather special. We hope you enjoy it.”

The bean is ‘Yellow Bourbon’, grown on a 90 year old award-winning family farm ‘Café Granja La Esperanza’ high up in the Colombian mountains and gently roasted specially for the Brewery in small batches.

The Chiltern Brewery in Terrick near Wendover, Buckinghamshire, has been at the forefront of the revival of classic English ale styles for 36 years and its award-winning beers are brewed with the finest English malt and hops - naturally.

Porter is a dark style of ale originally brewed in London using dark malts. The name is thought to come from its popularity with the London market porters.

Chartley Coffee, like The Chiltern Brewery, believe in combining traditional production methods with modern techniques. They use 3 vintage solid drum roasters and their coffees are ‘profile roasted’ by hand. They are also a second generation family business and have been roasting gourmet coffees since 1979.

## "No Man is an Island"

"No man is an island..."said John Donne in 1624 while meditating. How right he was and is. Many of us live in and around Weston Turville, parish and village. But it is not just a case of living in houses and homes located in the same geographical area. Nor is it merely that my home is a castle with impregnable walls, repelling all comers and allowing me to be oblivious of them. There is something peculiarly difficult, having the same post code while ignoring others who share it, more especially in an intimate rural setting. Ignoring all others, as though only you exist, is called solipsism and a fear of people is called anthropophobia. I have yet to come across either in Weston Turville. That is the nature of the place and its people. We meet, we greet.

I have a friend who believes that when two people meet then no man or woman can be an island. Rather the world has been invoked and so has social interaction and the foundations of society. It is difficult in a modest village to pretend that others do not exist or matter. When I walk around the parish and people, some I know, others not, say 'hello' and often, ' what a nice day it is' or '....been a lot of rain!' This, an indication of a simple social practice, binds us together. From this simple thing, a greeting, an acknowledgement, from one to another, anything is possible and imaginable.

Another friend said to me that she had always wanted come to Weston Turville to live. Now she does. Happiness and contentment at home is not to be underestimated. She is far from amused by other people's inclinations to render her beloved home an island in a sea of concrete. Then, in her estimation, she might as well be an island.

I, too, wanted to come here. My first experience was from an eighteenth century listed cottage near the Chandos to a house rather further down Main Street. No stretch of the imagination would render Main Street attractive. Yet it is a part of a place where I have feelings of comfort and satisfaction. This, you understand, from a man who gloried in the delights of London for fifty years. But did I know my neighbours in London? After thirty years just a very few next door. I have no regrets about leaving the Big Smoke. I revel in Weston Turville's unique mixture of the rather old and mid twentieth century housing. Somehow, it all seems to work. I walk around it a lot, in the days of sun, a heart-soaring experience.

There are forces elsewhere which would seek to change the character and style of the place, which many of us love. Warts and all as the saying has it. The attempt to wilfully make us part of that despairing town up the road is not appreciated. The excuse - development - certainly. But untrammelled - certainly not and for which there can be no excuse amongst civilised folk.

Michael Conolly

## A Swarm Of Honey Bees? What Should I Do?

**Honey Bee Swarms:** Swarms such as the ones pictured are usually colonies that are in transition. Usually these swarms are found hanging from the branch, fence post or any place where the swarms can gather close to the Queen while swarms are out and to look for a new permanent home. A swarm left alone will only be in place for just a few minutes to a few hours and occasionally a few days. Generally swarms are very docile and the swarming bees seldom will sting. When Honey Bees swarm they gorge themselves with honey before leaving the hive which makes it very hard for them to defend their nest.

**What Causes Honey Bees to Swarm:** Honey Bees have a natural instinct to survive by sending out new colonies. They may also swarm through overcrowding as becomes an old queen is thought to be failing and they wish to raise a new one. Honey Bees usually swarm in early spring just as the colony is building up numbers in anticipation of the upcoming honey flow but swarming can happen through to late summer. It is difficult to predict if weather conditions will lead to a large number of swarms in a particular year.

**If You See a Swarm:** Declaring Honey Bee numbers make the collection of swarms an important part of the work of bee keepers. You should never interfere with a swarm and pest control companies will not kill a swarm unless absolutely necessary.

## Aston Clinton, Buckland & Drayton Beauchamp Horticultural Society

We were sad to hear of the closure of the Weston Turville Horticultural Society and would like to

remind the gardeners amongst you that the Aston Clinton, Buckland and Drayton Beauchamp Horticultural Society remains very active in the local area staging both a Summer and Spring show every year.

We would be delighted to welcome new members to our Society. In addition to our two shows we also have a monthly meeting on the second Wednesday of the month, in the Anthony Hall, Aston Clinton with excellent speakers and social events. Our Treasurer, Ken Halls is the person to contact if you would like to join us and the annual subscription is £5 (£6 if you would like to have your newsletter posted to you.) It is also possible to receive the newsletters by email. Ken's contact details: - 01296 631636 [kandjhalls@btinternet.com](mailto:kandjhalls@btinternet.com)

This year will be our **59<sup>th</sup> Summer Show**. It will be held on Saturday **20<sup>th</sup> August 2016**, opening at 2p.m. and our new venue will be The Hub in Aston Clinton Park. Full details of the classes will be published on our website nearer the time and members will be sent a schedule.

If you do not wish to join our Society, but are interested in horticulture you would be welcome to come to our monthly meetings held in the Anthony Hall in Aston Clinton. As a visitor then we would charge £2 but there is no charge for members.

# LEONARD PULHAM NURSING HOME

Tring Road, Halton, Aylesbury, HP22 5PN

**DO YOU KNOW SOMEONE WHO WOULD LIKE  
TO MAKE A DIFFERENCE?**

The Leonard Pulham Nursing Home (a registered charity) is a relatively small nursing home of 33 rooms located in Wendover, known as 'Gateway to the Chilterns'. Our ethos is to provide a 'Home from Home' for our residents and we actively support them and their families in all aspects of life within the home. We place great emphasis on continuity of care.

We are looking to recruit a number of 'bank' RGNs to join our friendly team. If you know someone:

- with a genuine passion for nursing the elderly
- who is dedicated to providing the best possible care
- is prepared to be flexible (within reason)
- is a committed team player
- is self-motivated with a positive 'can do' attitude and
- has a minimum of two years' experience as an R.G.N.

Please ask them to contact us for an informal discussion.

If they would like to work in a friendly environment where their contribution really matters - and where no two days are quite the same - we would be delighted to hear from them.

# Church of St Mary the Virgin, Weston Turville

## Concerts, etc at St Mary's Church

2016 will be the 10th year of concerts I have organised at St Mary's Church. I am hoping to make it a memorable one.

Our concerts in April were both very successful. The Aylesbury Consort of Voices raised £336 while the Dung Beatles, with a record audience of 120 made an amazing £1,100.

We have three more concerts, starting on Saturday 17th September with a revival of Flanders and Swann, "Drop another Hat". This will also be well attended so watch out for our publicity nearer the date.

All concerts are in church, starting at 7.30pm. Tickets £10 including refreshments and a glass of wine. Under 18s free.

We also have our annual Summer Fayre at Church on Saturday 16th July, with games, competitions and stalls selling books, cakes and produce, plants, nearly new, white elephants and refreshments, etc.

On Sunday 12th June at 6pm, the Church Choir will be singing a special Festival Choral Evensong to celebrate the Queen's 90th birthday. All of the music will be by English composers, including Byrd, Stanford, Vaughan-Williams and Noble. There will appropriate and rousing Hymns for all to join in.

Please put this in your diaries and make it a very special occasion for the village to honour our wonderful monarch.

All enquiries, please, to Roger Fellows. 01296 424982

## St Mary's Weston Turville Improving Facilities Team, SWIFT

**SWIFT** was formed in 2011 to look into ways of improving accessibility to and within the Church for those with any sort of disability.

The annual **SWIFT FUN DAY** will be at the Church on Saturday 4th June from 11am to 4pm.

We will have all the usual attractions, a **FREE** bouncy castle, games and competitions including coconut shy and hoopla, tombola, barbecue, refreshments, ice-creams, jazz trio, Weston Turville School Friday Choir, Church Choir, etc.

There will be information about the **SWIFT** project, hopefully to include the revised plans and computerised images.

This year, as a special tribute for the Queen's 90th birthday, the **FUN DAY** will include a childrens **FANCY DRESS** parade and competition at 2pm. The theme will be anything royal, so come dressed as kings, queens, princes, princesses, knights in armour, etc. There will be prizes in three categories:- under 5, primary and junior. Please join in and have some extra fun. There is an entry fee of £1 per child to cover costs.

For information about SWIFT or how you can help by donating or raising funds for the project please contact us as below:

## **‘Holy Painting’**

‘Holy Painting’ takes place on the 2<sup>nd</sup> Thursday of each month from 10.30 – 12 noon in St.Mary’s Church, Weston Turville. We join together to have fun painting and exploring Bible stories at the same time.

I bring all the paper, paints and brushes at the moment but feel free to bring your own if you wish. I also bring crayons and coloured pencils in case anyone would prefer to use those, but there is something really therapeutic about splashing paint on paper! I tell a Bible story and then we all paint. We have tea, coffee and biscuits and have a nice chat. This is definitely for fun – I cannot teach you. Talent is not required!

Hope to see you there.

## **BUCKMOOREND FARM SHOP**

### **Truly Home Reared Meats and Real Local Produce**

At Buckmoorend Farm Shop you can buy high quality beef, lamb and pork that is truly home reared, that is genuinely fresh and local - straight from the farm. Here is meat that you can trust and enjoy, from animals grazing on rich pastures designated as habitats of special scientific interest. The meat is packed with flavour and rich in nutrients from the surrounding fields: the beautiful rolling hills of the Chilterns. Here known provenance means seeing the animals at least once a day and food miles are judged in terms of the view from the 600 acre holding to the lovely new wooden farm shop building.

This is a proper farm shop where 'local produce' means exactly that: sweet and savoury biscuits from Just Biscuits in Stoke Mandeville, salami and chorizo from The Merry Pig in Wendover, premium quality Wholemilk, Greek style and Low Fat yogurts from Tims Dairy in Chalfont St. Peter, Cheese, Mustard & Hop Pickled Onions from The Chiltern Brewery in Terrick, St George's Gelato Ice Creams of Haddenham and fresh organic vegetables from Sandy Lane Farm, Tiddington: Chilterns' food at its best.

A mixed arable and livestock farm occupying 600 acres astride the Ridgeway footpath on the Chequers Estate at Butlers Cross, Buckmoorend Farm encompasses high standards of sustainable animal husbandry, good crop rotation and grazing methods that enrich the environment.

"We sell non-intensively reared, great tasting meat straight from the farm to our new farm shop counter – ready for you to buy fresh. Our ethos is 100% local" say owners, third generation farmer Daniel Hares and his wife Stephanie.

The shop is open Wednesday to Friday 3.30pm to 6.30pm and 10am to 4pm on Saturdays and Sundays.
