Happy  
Birthday

**The Queen celebrates her 90<sup>th</sup> birthday on 21<sup>st</sup> April 2016.**

The Queen has had more than 30 Pembroke Corgis all descended from Susan, given to her as an 18th birthday present. Did you know the Queen also has “Dorgis”, two of which, Candy and Vulcan, still survive, along with two corgis Willow and Holly?

Dorgis are a cross between a corgi and a dachshund.

# EDITORIAL

The current and all previous copies of the WTT are available on our website at [www.wt-times.co.uk](http://www.wt-times.co.uk)

Welcome to this edition of WTT, we hope you enjoy reading it; there is plenty to look forward to.

Mothering Sunday which is the fourth Sunday of Lent and this year falls at the start of the month on 6th March, just three weeks before Easter and two days before International Women's Day on the 8th. Traditionally Mothering Sunday was a day when domestic servants were given the day off to visit their mothers and family. This tradition dates back to at least the 16th century. The Mother's Day which is in May is celebrated in America, Canada and Australia but has no connection to Mothering Sunday. If you are celebrating as a mother or with your mother we wish you a happy day and many more to come.

April 21st sees the actual 90th birthday of Her Majesty the Queen, her official birthday being in June. More reasons for celebrations and rejoicing.

May brings us two bank holidays, something to look forward to.

Weston Turville Times continues to inform and entertain. It is currently published four times a year and is delivered to every house and business in Weston Turville. Extra copies are delivered to the shops, church and chapel and hostelrys in Weston Turville.

We welcome some new advertisers this issue (our existing advertisers will testify to the power of advertising) please be sure to mention WTT if you use their services.

# A ROYAL BIRTHDAY.

On 21<sup>st</sup> June 2016 Her Majesty Queen, Elizabeth II, celebrates her 90<sup>th</sup> birthday.

The WTT team have conducted extensive research to see if there was any record of a Royal Visit to our fair parish. In short, the answer is NO. As far as we can ascertain our reigning monarch has never set foot over our boundaries in any manner that was worthy of note. She has visited adjacent locations so by default, she probably drove up the A41 or A413 but she does not appear to have lingered here for even so much as a cup to tea!

This dichotomy made it difficult for us to write an article about the Queen and Weston Turville. Not to be defeated we found a hand drawn map of Weston Turville lurking in the Historical Society Archives which shows the names of individuals and families living in the village in circa 1926, the year of Queen Elizabeth's birth. It is also worthy of note that in this year Weston Turville was connected to the National Electricity Grid, a mere 11 years later than Aylesbury and the 1st Weston Turville Scout Group was registered. Exciting times for the locals!

The map is constructed from the memories of Mrs Ethel Brown from a list made by her father who was the village postman and lived in Bye Green.

A map of the area dated about the 1920 is shown below: It can be seen from

both maps how sparsely populated the village was with none of the later post war infilling.

Should any of you have a photograph or personal royal memories of meeting the Queen that others may find interesting, please send them to the editor and we may print them in the next edition due out in June: just in time for the Queen's official birthday!

# NEWS FROM THE PARISH COUNCIL

## OVERHANGING TREES AND OUT OF CONTROL BUSHES.

Bucks County Council via Transport for Bucks (TfB) would like to remind residents and land owners that it is their responsibility to maintain the trees and shrubs on their land to prevent danger and /or obstructions to the highway which includes pavements: (Highways Act 1980). If your trees and shrubs do cause an obstruction or danger you will be notified and have 14 days to remove the offending branches. After this time TfB will arrange for the work to be completed and may claim reasonable expenses for doing the work for you. For more information contact TfB on 01296 382416

## SPEEDING ISSUES. Some of you may have seen or been flashed at by the movable

flashing speed sign that has been erected since December. This piece of equipment was purchased by the Parish Council jointly with Stoke Mandeville PC. The benefits are that it records data for downloading so we can see any patterns of offending behaviour

and average speeds over a period of time. The device was placed in Brook End between 12th and 21st December and directed towards the bus stop near Aerodrome Road prior to the static SID's (Speed Indicator Device) line of vision but well within the 30mph zone. During this time the average speed of vehicles was 36.7 mph. It was then relocated to Marroway in the 40mph zone and remained there from 21<sup>st</sup>

December to 10<sup>th</sup> January. During this time the average speed was 46.3mph, however the weekend average speed saw a significant increase and the highest recorded speeds were during the early morning commuter runs. This pattern of speeding does suggest that in line with Police Statistics, most of our speeding drivers are local to this Parish or adjacent ones rather than visitors passing through.

Some 30mph wheelie bin stickers are available to remind drivers of the speed limit, initially they will be given to residents on the main routes into the village. If you would like some please contact the Parish Clerk stating how many bins you have (Green, recycling and brown and compost) If you think there is an issue with speeding in your road please contact the Parish Council.

## DOG WASTE BINS. Under the Dogs (Fouling of Land) Act of 1996, anybody who

lets their dog foul land open to public access and does not clear up afterwards can be given a fixed penalty notice. If you get such a notice, you have to pay a £50 fine within 14 days; otherwise, you could be prosecuted and might be fined up to £1,000. To assist you in clearing up the Parish Council currently have a number of dog

waste bins located at strategic points throughout the parish and these get emptied regularly by AVDC. But did you know AVDC charge £308.21 to supply and install a dog bin? The annual cost to empty each bin (78 collections per year plus 2 cleans) is £83.18 per bin. 78 collections relate to one per week in winter months and two per week during summer. There was a delay in emptying the bins over the Christmas

period and New Year due to Bank Holidays and changing collection days, which meant that the existing bins were overflowing. However the national guidance on the disposal of dog waste has changed and it is no longer necessary to separate dog waste from other types of household waste. For this reason, waste can be disposed of in any available litter bin or your green household bin. There is never an excuse to leave it where it is or collect it in a bag and hang the bag from a tree! If the dog waste bin is full, take it home or place in the nearest litter bin. There are several washable, hygienic containers commercially available which you can store your full dog waste bag in until you get to a suitable place to dispose of it. This does save you having to carry it around pretending it is a handbag whilst you finish your walk. Search Dogs Buckinghamshire (more next issue), are a voluntary organisation that help the police search for missing and vulnerable persons, currently have suitable containers for sale at a reduced price and any profit goes to the charity. Contact [cath@searchdogsbucks.org.uk](mailto:cath@searchdogsbucks.org.uk) for information. Other distributors also sell them!

**NEW CHILDREN'S PLAY AREA:** The new children's play area is now open. After 6 months of consultation and applying for planning permission we were able to start the works which unfortunately coincided with a prolonged period of wet weather. For this first investment in play equipment we have a wide range of age applicable pieces that are suitable from tots to teens and even some adult exercise equipment so that the whole family has something to do. We are now looking at how we can add to this in terms of equipment, ground protection and also adding to the fence to try and stop dogs from entering the area. These additional works will be carried out when funds become available. The Parish Council are currently working with the District Council and developers to ensure that we can add to this project over the coming months and years. We are also reviewing where additional matting can be laid to help reduce the effect of rain sodden grass and to make it more useable during the winter months.

**CLEAN FOR THE QUEEN:** Some of you will have seen the publicity about the 'Clean for the Queen' campaign launched by Country Life magazine in partnership with Keep Britain Tidy to clear up Britain in time for the Queen's 90th birthday in 2016. Special edition 'Clean for the Queen' litter bags will be available from selected branches of Costa and Waitrose. The Parish Council will be organising some 'litter picks' but request that you all do the area outside your own houses. If you would like to help with a litter pick please contact the Parish Clerk.

# Simnel Muffins

A new twist on a traditional recipe and perfect for getting the whole family involved!

Preparation time: 45-50 mins. Makes 12 muffins

## Ingredients

250g mixed dried fruit  
grated zest and juice 1 medium orange  
175g softened butter  
175g golden caster sugar  
3 eggs, beaten  
300g self-raising flour  
1 tsp mixed spice  
½ tsp freshly grated nutmeg  
5 tbsp milk  
175g marzipan  
200g icing sugar  
2 tbsp orange juice for mixing  
mini eggs

## Method

1. Tip the fruit into a bowl, add the zest and juice and microwave on medium for 2 minutes (or leave to soak for 1 hour). Line 12 deep muffin tins with paper muffin cases.
2. Preheat the oven to fan 180C/ 160C/gas 4. Beat together the butter, sugar, eggs, flour, spices and milk until light and fluffy (about 3-5 minutes) – use a wooden spoon or hand held mixer. Stir the fruit in well.

3. Half fill the muffin cases with the mixture. Divide the marzipan into 12 equal pieces, roll into balls, then flatten with your thumb to the size of the muffin cases. Put one into each muffin case and spoon the rest of the mixture over it. Bake for 25-30 minutes, until risen, golden and firm to the touch. Leave to cool.
4. Beat together the icing sugar and orange juice to make icing thick enough to coat the back of a wooden spoon. Drizzle over the muffins and top with a cluster of eggs. Leave to set. Best eaten within a day of making.

## History:

Simmel cake is traditionally eaten on Easter Day and in the olden Mediaeval days of the 17th century female servants would bake this fruit rich Easter cake to take home on their rare visits home to their mother's on Mothering Sunday which was the fourth Sunday during the Lent period.

The Christian fasting and repenting period of Lent ends on Easter Sunday and a Simmel cake helps to mark the end of the forty days of Lent and gives people a tasty treat and marks the celebration of Easter time. Some people still call the fourth Sunday during Lent Simmel Sunday.

The word Simmel comes from the Latin word Simila which means fine wheaten flour. It was traditionally made from this fine wheaten flour.

Conventionally eleven, or occasionally twelve, marzipan balls are used to decorate the cake, with a story that the balls represent the twelve apostles, minus Judas or Jesus and the twelve apostles, minus Judas. This tradition developed late in the Victorian era, altering the mid Victorian tradition of decorating the cakes with preserved fruits and flowers.

# Education is for Adults

Go to a monthly meeting of the University of the Third Age (U3A) and you will see many older people signing up to undertake all manner of things, whether looking at gardens, buildings or churches, joining a class which burnishes and nurtures particular skills and inclinations or even to do something more adventurous, like learning a language, exploiting an unusual mode of transport or studying the more obscure byways of English history. There are book groups and poetry and play reading too and other cultural pursuits, such as music, visual arts and dance. All of these are the very stuff of education, giving some insight and possibility into the life well lived and travelled. Simon Heffer wrote quite recently:

*"..... as many intelligent people who did not have the chance to attend university know; education for the truly enlightened only really begins when formal schooling ends. Schools and universities train, or should train, us to use a gift that is in almost all of us, but which too few ever unwrap - the gift of intellectual curiosity."*

Have you noticed that educational matters are always about the young and never about mature people? It is said you are never too old to learn. Yet those who no longer enjoy (or is it endure?) full time education are cast adrift in the complexities of life, seemingly fully fashioned and fit to face the future. Educational stereotypes are exemplified by young people. Why, in a national system of education are those who are not children or young people so obviously neglected? Can the nation afford such neglect? Mature experience is neither mentioned nor expressly catered for.

I do not regret being part of a system characterised by continuous rounds of instruction and assessment, heart-ache, competition and depression. I suffer the absurd, if extreme, thought that education is concerned with life, living it, dealing with it as it arises. I am confounded by the studied disinterest of those in charge who believe that the education of adults is unworthy of celebration. Perhaps they think that learning perishes and dies after school and college. You are now the finished article. Learning can do no more for you!

When I came to live in London more than fifty years ago, the capital was teeming with adult education colleges. They encouraged education for its own sake. Such institutions assumed without equivocation that humans are curious, seeking answers, insights, explanation and enlightenment. One could study almost anything from anthropology to zoology via basket-weaving, music of all kinds and a vast array of foreign languages; and people of all ages did, seeking to engage their humanity to the full.

All of this has been swept away. The prevailing premise is that wealth is enhanced by focused education, measured by impact. Certainly better educated countries are wealthier or is it that wealthier countries fund more educational opportunity? The implied relationship is obscure. I have a sneaking suspicion that Oscar Wilde was onto something when he wrote in *'The Importance of Being Earnest'*:

***"..... in England, at any rate, education produces no effect whatsoever. If it did, it would prove a serious danger to the upper classes, and would probably lead to acts of violence in Grosvenor Square."***

## The Chiltern Brewery's 2000<sup>th</sup> Gyle

If that's got you reaching for your dictionary – don't worry, it's a specialist brewing term referring to the amount of one beer produced at one brewing. And this heady mix, or mashing-in as it should be called (pictured), is local brewer The Chiltern Brewery's 2000<sup>th</sup> gyle. An amazing achievement in just 36 years and a suitable cause for celebration once the beer is released.

This is a bottle-conditioned classic IPA in the making, using a single base – Maris Otter - malt and highly hopped with generous amounts of Bramling Cross and English Cascade hops. You will have to be patient though; the final result won't be ready to drink for several months.

Proud brewer Dave McGovern says. “This IPA should be a true classic, light golden in colour with a fruity aroma and set off by a dry malt middle and a long hop finish and will be about 6% vol strength.”

Once it is bottled, named and labelled, all you will need to do is look out for it online [www.chilternbrewery.co.uk](http://www.chilternbrewery.co.uk) and on the shelves at the brewery shop in Terrick, near Wendover.

IPA stands for India Pale Ale, new lighter heavily hopped beers that were transported from Britain to India in the 1750s. Before the invention of refrigeration you couldn't brew beers in hot climates so the beer was brewed here and shipped to India.

If this is all a bit technical at least you were spared the photo of the mash bed “sparging”!

**The Chiltern Brewery** has been at the forefront of the revival of classic English ale styles for 36 years, all brewed with the finest English malt and hops - naturally.

The PACE Draw is a monthly lottery which pays out at least £850 in prize money to its entrants whilst at the same time raising vital funds for PACE; to help transform the lives of children with disabilities such as cerebral palsy.

Each month the draw pays out three cash prizes which currently stand at £500, £250 and £100. And the first prize each Summer and Christmas draw will be £1000! Not only that, the odds of winning are significantly better than the National Lottery and whatever happens, ALL the profits from the draw go straight to help the children at PACE.

Since September 2008, the PACE Draw has raised over £100,000. The money raised has helped PACE reach dozens of new children in that time, transforming their lives, and potentially benefitting yours.

Each entry costs just £2 and you can buy as many or as few as you wish. To minimize costs (and maximize the prizes and fundraising), the draw is run by direct debit mandate. Please tell as many of your friends and relatives about the exciting and fun new way they can give their support to PACE. Remember, the more entries we have, the bigger the prize fund!

Entrants must be aged 16 or over, with a bank account. The PACE Draw is a monthly lottery run by PACE and registered with, and authorised by, the Aylesbury Vale District Council. The draw takes place at the end of each month.

If you are no longer in full time employment this is your opportunity to make some decisions about your lifestyle whether it is to be sporty through walking or table tennis; or calmer like bridge or book club, you can even learn how to use a computer or just improve your general knowledge.

There is a meeting on the fourth Thursday of the month held at Aylesbury Rugby Club, Weston Turville at 2.30pm open to all members. Here you can meet like-minded people, get the latest news on trips, garden and theatre visits and holidays. We usually have a guest speaker who must be both interesting and amusing. To learn more come along to one of our meetings and let the person you are sitting next to know that it is your first meeting or go to our web site at [www.wtu3a.org.uk](http://www.wtu3a.org.uk). We look forward to your company.

# LEONARD PULHAM NURSING HOME

Tring Road, Halton, Aylesbury, HP22 5PN

**DO YOU KNOW SOMEONE WHO WOULD LIKE  
TO MAKE A DIFFERENCE?**

The Leonard Pulham Nursing Home (a registered charity) is a relatively small nursing home of 33 rooms located in Wendover, known as 'Gateway to the Chilterns'. Our ethos is to provide a 'Home from Home' for our residents and we actively support them and their families in all aspects of life within the home. We place great emphasis on continuity of care.

We are looking to recruit a number of 'bank' RGNs to join our friendly team. If you know someone:

- with a genuine passion for nursing the elderly
- who is dedicated to providing the best possible care
- is prepared to be flexible (within reason)
- is a committed team player
- is self-motivated with a positive 'can do' attitude and
- has a minimum of two years' experience as an R.G.N.

Please ask them to contact us for an informal discussion.

If they would like to work in a friendly environment where their contribution really matters - and where no two days are quite the same - we would be delighted to hear from them.

## Church of St Mary the Virgin, Weston Turville

### Concerts at St Mary's Church

2016 will be the 10th year of concerts I have organised at St Mary's Church. I am hoping to make it a memorable one.

Our very first concert in January 2007 was performed by the Aylesbury Consort of Voices. This local a cappella group sings madrigals, part songs, anthems, etc covering periods from early music to 21st century. They support fund-raising events at many churches throughout Buckinghamshire and are of a very high standard as well as being entertaining for a wide range of tastes. They will return to sing at St Mary's on Saturday 23rd April at 7.30pm.

On Saturday 2nd April at 7.30pm we have a new departure from our usual music style when we are very fortunate to host the "Dung Beatles". This local, semi-professional group perform well-known Beatles' songs and have appeared at the Waterside Theatre, and Limelight Theatre in Aylesbury as well as festivals across the country, including Towersey, and even the true home of the Beatles, Liverpool's Cavern Club, as well as making a number of recordings. This is a wonderful opportunity to hear this great group in a local venue at the very reasonable price of only £10, including a glass of wine and refreshments.

I will be selling tickets in advance for this one as they have sold out larger venues than ours, so look out for later announcements.

There will be more concerts from September onwards. All concerts are in church, starting at 7.30pm. Tickets £10 including refreshments and a glass of wine. Under 18s free.

Roger Fellows

# NEIGHBOURHOOD PLAN:

## Weston Turville Neighbourhood Plan Update

A steering group consisting of parish councillors and local volunteers are working on developing a Neighbourhood Plan for Weston Turville which will influence the development of the parish for the 25 years. A planning consultant has been engaged to guide the steering group through the process. It is a huge undertaking and we need your help and support. The steering group is currently compiling an evidence base of the parish as it is now; if you are interested in assisting with this research please contact the Clerk in the first instance.

**What happens next?** Input from and engagement with the community is vital to develop the right neighbourhood plan for our parish. We want to hear your questions and listen to your points of view, please come along to one of our “Community Engagement Days” in April.

**21<sup>st</sup> April at 7pm at the Village Hall (Annual Parish Meeting)**

**23<sup>rd</sup> April at the PACE Centre, Wendover Road from 10am – 2pm.**

Come along and meet members of the steering group on either or both days and make your voice heard!

**There will be a further consultation at the Village Fete which is on the afternoon of Saturday 18<sup>th</sup> June at and behind the village hall.**

Some of the issues the steering group have identified are listed below and your feedback would be appreciated:

**Housing:** How much new housing should the village have? Which sites are suitable for development? What sort of housing is needed in the parish and what should it look like?

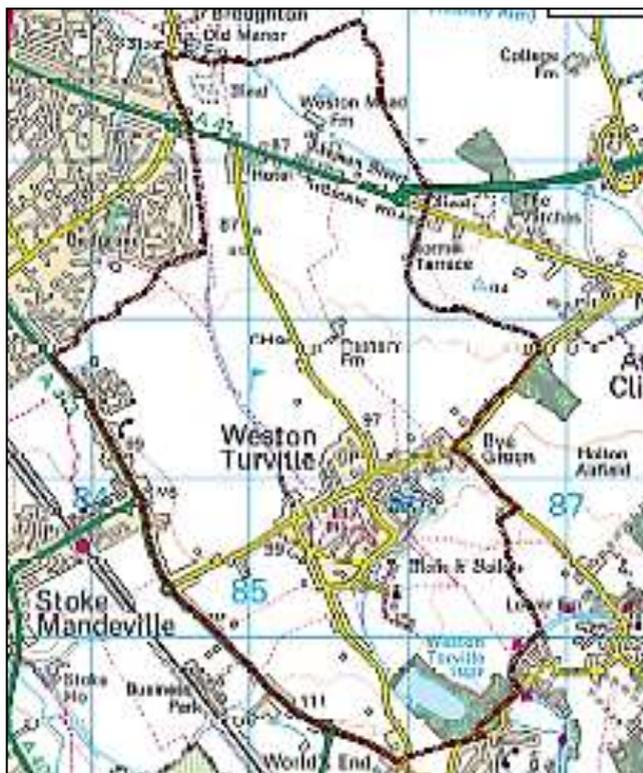

**Environment:** Which green spaces should be protected and why? Are better street lights needed or is light pollution an issue?

**Community Facilities:** Is there enough education and health capacity to support our growing parish? What sports and leisure facilities are needed – for children and young people as well as adults and the elderly?

**Business:** Do we require some form of Light Industry to provide local employment? Would the creation of a business hub help those who work from home? Do we need better broadband/mobile connections? What singleton/small businesses currently exist within Weston Turville?

**Transport:** How can we manage the flow of traffic through our village? What improvements are needed to public transport? Is there sufficient parking provision?

**Heritage and Conservation:** How to make the most of the heritage and history of the parish? Do we need to conserve any new areas of land?

# 'Holy Painting'

'Holy Painting' takes place on the 2<sup>nd</sup> Thursday of each month from 10.30 – 12 noon in St. Mary's Church, Weston Turville.

We join together to have fun painting and exploring Bible stories at the same time.

I bring all the paper, paints and brushes at the moment but feel free to bring your own if you wish. I also bring crayons and coloured pencils in case anyone would prefer to use those, but there is something really therapeutic about splashing paint on paper! I tell a Bible story and then we all paint. We have tea, coffee and biscuits and have a nice chat. This is definitely for fun – I cannot teach you. Talent is not required!

Hope to see you there.

## **MUSIC for Palm Sunday Evening**

20th March 6.00 p.m. in the Church

You are warmly invited to a service of hymns anthems and readings on the evening of Palm Sunday 20th<sup>h</sup> March.

The Service will be similar in format to the service of 9 Lessons and Carols, but with an Easter flavour. There will be well known Passiontide and Easter hymns for the congregation, interspersed with anthems sung by the choir. The Passion story from Palm Sunday to Good Friday will be told in 3 readings. The choir anthems will range from the 16<sup>th</sup> century to 20<sup>th</sup> century and will include music by Palestrina, Orlando Gibbons, Handel's Messiah, Faure and others.

We hope you will come. Composers seem to be inspired to write their most beautiful music for this time in the Church's year.

Revd. Susan
