### Special Conditions of Hire during COVID-19

**Note: These conditions are supplemental to, not a replacement for, the hall's ordinary conditions of hire.**

**SC1:** You, the hirer, will be responsible for ensuring those attending your activity or event comply with the COVID-19 Secure Guidelines while entering and occupying the hall, as shown on the attached poster which is also displayed at the hall entrance, in particular using the hand sanitiser supplied when entering the hall and after using tissues.

**SC2:** You undertake to comply with the actions identified in the hall's risk assessment, of which you have been provided with a copy.

**SC3:** You will be responsible for cleaning door handles, light switches, window catches, equipment, toilet handles and seats, wash basins and all surfaces likely to be used during your period of hire **before** other members of your group or organisation arrive and to keep the premises clean through regular cleaning of surfaces during your hire, paying particular attention to wash hand basins and kitchen sinks (if used), using either the products supplied (which will be in a clearly accessible location) or your own ordinary domestic products. You will be required to clean again on leaving.

Please take care cleaning electrical equipment. Use cloths - do not spray!

**SC4:** You will make sure that everyone likely to attend your activity or event understands that they **MUST NOT DO SO** if they or anyone in their household has had COVID-19 symptoms in the last 7 days, and that if they develop symptoms within 7 days of visiting the premises they **MUST** use the Test, Track and Trace system to alert others with whom they have been in contact. They **MUST** get a COVID-19 antigen test. You must keep a list of those attending your activity or event in order for them to be contacted.

**SC5:** You will keep the premises well ventilated throughout your hire, with windows and doors open as far as convenient. You will be responsible for ensuring they are all securely closed on leaving.

**SC6:** You will ensure that no more than 30 people attend your activity/event, in order that social distancing can be maintained. You will ensure that everyone attending maintains social distancing while waiting to enter the premises, observes the one-way system within the premises, and as far as possible when using more confined areas e.g. moving and stowing equipment, which should be kept as brief as possible. You must remind users that social distancing must be maintained throughout the building, including toilets.

**SC7:** You will take particular care to ensure that social distancing is maintained for any persons aged 70 or over or likely to be clinically more vulnerable to COVID-19, including for example keeping a 2m distance around them when going in and out of rooms and ensuring they can access the toilets, kitchen or other confined areas without others being present. For some people, passing another person in a confined space is less risky, but for older people that should be avoided.

**SC8:** You will position furniture or the arrangement of the room as far as possible to facilitate people seating side by side, with at least one empty chair between each person, rather than face to face. If tables

are being used, you will place them so as to maintain a distance of at least 2 metres across the table between people who are face to face e.g. using a wide U-shape.

**SC9:** You will be responsible for the disposal of all rubbish created during your hire, including tissues and cleaning cloths, in the rubbish bags provided before you leave the hall. Black sacks can be found in the cupboard under the sink in the kitchen. Black sacks should be tied up and put in the green bin outside the hall and not left inside the hall.

**SC10:** You will encourage users to bring their own drinks and food. If drinks or food are made, you must provide your own crockery and cutlery and take it home after. You will bring your own clean tea towels, so as to reduce risk of contamination between hirers, and take them away. We will provide washing up liquid.

**SC11:** We will have the right to close the hall if there are safety concerns relating to COVID-19, for example, if someone who has attended the hall develops symptoms and thorough cleansing is required or if it is reported that the Special Hiring Conditions above are not being complied with, whether by you or by other hirers, or in the event that public buildings are asked or required to close again. If this is necessary, we will do our best to inform you promptly and you will not be charged for this hire.

**SC12:** In the event of someone becoming unwell with suspected Covid-19 symptoms while at the hall you should remove them to the designated safe area which is the committee room. Provide tissues and a bin or plastic bag, and a bowl of warm soapy water for handwashing. Ask others in your group to provide contact details if you do not have them and then leave the premises, observing the usual hand sanitising and social distancing precautions and advise them to launder clothes when they get home. Inform the booking clerk on 07909 485369 immediately

**SC13:** For performances and other events with seated audiences: The hirer will provide attendants who will ask people to seat themselves furthest from the entrance on arrival, to exit closest to the exits first and invite people to use toilets in the interval row by row.

**SC14:** Where a group uses their own equipment: The hirer will ask those attending to bring their own equipment and not share it with other members. If this is not possible, the hirer will avoid using equipment, which is difficult to clean, as far as possible. You will ensure that any equipment you provide is cleaned before use.

**SC15:** In order to avoid risk of droplet transmission, you must take steps to avoid people needing to unduly raise their voices, eg refrain from playing loud music or broadcasts at a volume which makes normal conversation difficult.

**SC16:** The gents and ladies toilets are equipped with passive infra-red detectors which means that lights and taps come on automatically. Please remind people not to touch these switches or taps.

**SC17:** Where a sports, exercise or performing arts activity takes place, you will organise your activity in accordance with guidance issued by the relevant governing body for your sport or activity.

**SC18:** You will encourage all those attending your activity to wear a face covering unless an exemption or other government guidance applies to the activity. A face covering is not required when people are eating or drinking but they should be seated.
